## ERRATA 2

### AGMA 923-C22

### September 2024

The following editorial correction will be added to the next edition of AGMA 923-C22,  
(published September 2022).

The changes, discovered after publication, have been reviewed and approved by the Chairperson of the AGMA Metallurgy and Materials Committee.

**Error:** On page 18 of AGMA 923-C22, a test method procedure for hydrogen testing, which had been approved by the committee in an August 2021 meeting, is missing.

---

**Correction:** Add the following test method procedure for hydrogen testing, between the “hardness” test method and the “intergranular oxides” test method:

**hydrogen testing:** Hydrogen
